Hi Sir,
We received this request from
Marieke Walsh from the Globe and
Mail:

Can you please tell me what
whether the federal government is
offering support to the Ottawa
police and city officials and if so
what is being offered?
Thank you,

Here is our proposed response. Let
me know if this is ok:

As the protests continue, we are
closely monitoring the impact that
these disruptions are having on
nearby neighbourhoods and
businesses. Right now, this event
remains under the purview of the
Ottawa Police Service (OPS). We
continue to play a coordination role
between federal agencies,
including the RCMP, and the
Parliamentary Protective Service,
and local police.

I would omit the words right now.
